

## Entry Requirements To Bally's Arapahoe Park

### Thoroughbreds:

1. A Certificate of Veterinary Inspection (CVI) issued by an accredited veterinarian within 30 days of entry.
2. A negative Equine Infectious Anemia (Coggins Test) test within 12 months of entry. The name of the laboratory, results, date of the test, and accession number must be listed on the Certificate of Veterinary Inspection (CVI).

### Quarter Horses:

1. A Certificate of Veterinary Inspection (CVI) issued by an accredited veterinarian within 30 days of entry.
2. A negative Equine Infectious Anemia (Coggins Test) test within 12 months of entry. The name of the laboratory, results, date of the test, and accession number must be listed on the Certificate of Veterinary Inspection (CVI).
3. A negative Equine Piroplasmiasis test within 12 months of entry. The testing must include testing for both Theileria Equi and Babesia caballi.

### Pony Horses:

1. A Certificate of Veterinary Inspection (CVI) issued by an accredited veterinarian within 30 days of entry.
2. A negative Equine Infectious Anemia (Coggins Test) test within 12 months of entry. The name of the laboratory, results, date of the test, and accession number must be listed on the Certificate of Veterinary Inspection (CVI).

\* Any horses that leave Bally's Arapahoe Park and seek reentry must meet the entry requirements.

It is **recommended** that all horses are vaccinated for the following:
