

# "Agreement regarding Pre-Meet Stall and Barn Inspection"

Colorado Division of Racing Events  
2025 Bally's Arapahoe Park Racing Season

Track Address: 26000 E. Quincy Ave, Aurora, Colorado 80016

This agreement concerns pre-occupancy inspection as a requirement for occupying stalls or tack rooms that have not been fully inspected by the Division. By signing below, the undersigned Owner/Trainer acknowledges and agrees to the following conditions as a prerequisite for occupying their assigned stalls and tack rooms prior to a formal inspection by Division staff.

## Terms of Agreement:

**Assumption of Responsibility:** The undersigned Owner/Trainer assumes full responsibility for immediately inspecting their assigned stalls, tackrooms, and the surrounding areas for any contraband or prohibited items as defined by the Colorado Racing Commission Rules.

**Immediate Reporting:** The Owner/Trainer agrees to immediately report to the Division of Racing Events any and all contraband or prohibited items discovered during their inspection.

**Strict Liability:** Any contraband or prohibited items discovered in or around an occupied stable or tack room 48 hours after the time of occupancy, as noted below, shall be presumed to have been placed or left there by the undersigned Owner/Trainer or their employees. The absence of a pre-meet inspection by the Division will not be accepted as a defense in any contraband or prohibited items investigations.

**Penalties:** Discovery of such items after the 48-hour grace period may subject the Owner/Trainer and their employees to administrative penalties (including fines and/or license suspension) and potential criminal investigation.

**Applicability:** This waiver is valid only for the 2025 Bally's Arapahoe Park racing season.
