

Face up PAI GOW POKER™

DEALER'S CARDS DEALT FACE UP COMMISSION-FREE

FACE UP PAI GOW POKER offers the traditional Pai Gow Poker wager identical to the authorized game of Pai Gow Poker; an optional FORTUNE BONUS wager to win with a high ranking poker hand and an additional optional ACE-HIGH BONUS wager to win IF THE Dealer's seven (7) cards are an Ace-High hand ("pai gow").

FACE UP PAI GOW POKER is played with a 52-card deck plus a Joker. The game is one-on-one where the Player(s) are betting against the Banker. As in standard Pai Gow Poker, the Player and the Dealer receive seven (7) cards, but the Dealer's cards are dealt FACE UP. Face Up Pai Gow Poker is a commission-free game. There is no commission when the Player beats the Dealer; but when the Dealer plays Ace-High, the Player's hand is automatically a PUSH (Tie)..

FORTUNE BONUS

Any Player who has made a Face Up Pai Gow wager may, at the same time, place an optional "Fortune Bonus" wager that considers the best poker 5-card hand possible among the Player's seven (7) cards. A qualifying 5-card poker hand of a Straight or better WINS. Additionally, if any Player at the table achieves a 5-card hand of a Four of a Kind or better, then the other players who have placed a "Fortune Bonus" wager of at least \$5.00 qualify to receive the "Envy Bonus" payout regardless of whether their own hand was of a qualifying nature. The Player who is awarded the Fortune Bonus of Four-of-a-Kind or better does not qualify for the Envy Bonus. A Fortune Bonus wager is independent of the Pai Gow Poker wager.

ACE-HIGH BONUS

Any Player who has made a Face Up Pai Gow Poker wager may, at the same time, place an optional Ace-High Bonus wager that WINS if the Dealer is forced to play an Ace-High hand (“pai gow”). The Ace-High Bonus is independent of the Pai Gow Poker wager and may be more than the Pai Gow Poker wager.
