

FOUR CARD POKER

FOUR CARD POKER™ is a game that rewards skill, patience and nerve. Four Card Poker™ features THREE WAYS TO PLAY: Players may (1) wager against the Dealer and bet UP TO 3 TIMES their ANTE when staying in the game; (2) wager on the value of their hands against the pay table when placing an ACES UP wager or (3) BOTH!

PLAYER VS. DEALER – ANTE WAGER

The object when playing against the Dealer is for the Player to form a four-card poker hand higher than or equal in rank to the Dealer's hand. Player's use their best 4 of 5 cards dealt, whereas the Dealer uses the best 4 of 6 cards dealt. To play against the Dealer, you must make an ANTE wager. After being dealt a hand of five (5) cards face down, you can:

- A. Fold (forfeit) your hand and ANTE wager, OR
- B. Continue playing by placing a PLAY wager in an amount at least equal to the ANTE but may be UP TO 3 TIMES the ANTE

The ANTE and PLAY wins 1 to 1in. The Player wins ties.

AUTOMATIC BONUSES

Players who place an ANTE wager and PLAY wager win an Automatic Bonus payout on the Ante wager for the following premium hands:

Four-of-a-Kind	25 to 1
Straight Flush	20 to 1
Three-of-a-Kind	2 to 1

Automatic Bonuses are paid even if the Dealer has a better four-card hand.

PLAYER VS. PAYTABLE - ACES UP WAGER

A Player MAY place an optional ACES UP side bet to win an additional payout based on the Player's best four-card poker card. If the Player's hand contains a Pair of Aces or Better, the player wins the ACES UP wager.

The payout for the ACES UP wager is as follows:

Four-of-a-Kind	50 to 1
Straight Flush	40 to 1
Three-of-a-Kind	8 to 1
Flush	5 to 1
Straight	4 to 1
Two Pair	3 to 1
Pair of Aces	1 to 1

PLAYING BOTH – ACES UP & ANTE WAGERS

When a Player bets BOTH the ACES UP and the ANTE (including PLAY) wager, he/she is playing against two separate pay tables with two different criteria for payouts: ANTE – object to get a four-card poker hand that beats the Dealer's best four-card hand; ACES UP – object is to receive a Pair of Aces or Better.

If a Player has placed an ANTE wager and an ACES UP wager but does not make a PLAY wager, the Player shall forfeit the ANTE wager but shall not forfeit the ACES UP wager.

ALLOWABLE WAGERS

Bet ANTE to play against the Dealer ONLY.

Bet ACES UP to play the hand value against the payable.

Bet ACES UP and ANTE to play BOTH the hand value and against the Dealer.

ADDITIONAL RULES OF PLAY

All ANTE and ACES UP wagers must be placed prior to the Dealer announcing, "No more bets."

If a hand does not contain a Pair or Better, the hand that contains the highest-ranking card(s) wins. Ace is the highest-ranking card, except in 4-3-2 Ace sequence.

Each Player shall be responsible for his/her own hand and no person other than the Dealer and the Player to whom the cards were dealt may touch the cards of that Player.

Only Players seated at the table are permitted to wager. Once a Player has placed a wager and received cards, that Player must remain seated until the completion of the round of play.
