General Rules & Guidelines

Players must have a valid photo ID (21+) and a Casino Players Card to enter.

Multi-day event tournament registration opens two (2) hours prior to the start of the event.

All other event registration will open one (1) hour prior to start of the event.

All events have no limit on re-entries until the registration period is closed, except Freeze Out events where only 1 entry is permitted.

All events will be played 9 handed except the Big O, Stud games and Main Event Satellites.

The Jokers Wild events will use one (1) Joker per deck. The Joker may only be used as an Ace, to complete a Straight or to complete a Flush.

Players may surrender chips at any time during the registration period in any event and re-enter with a full stack.

Players who register late or re-enter will receive a full starting stack.

Players on an Alternate list are entitled to a refund up until they are called for an open seat or the registration period ends. No refunds after the registration period ends.

When "Big Blind Ante" is used it will be until the conclusion of the event. The Big Blind will post the entire ante amount. The Ante is posted before the big blind.

"Best stack forward" is not allowed in multi-day events.

Any player who is disqualified or ejected from an event for any reason is not entitled to a refund.

In the event that a tournament runs until the poker room closes for any reason, a standard ICM chop may be made between the remaining players or the remaining players may unanimously elect to return the next day to complete the event.

For the Main Event, play will stop on the money bubble. The tournament will move into "Hand for Hand" play. The tournament clock will not be stopped during this time until 3 minutes has elapsed for each hand. In the event of losing two (2) or more players at the same time from separate tables, the cash prize will be evenly split among players that busted out. Losing players from the same table will go by chip stack. Table re-draw at 27 and 9 players remaining.

The Bally's Poker Room observes All TDA Rules except in instances that conflict with Colorado Gaming Law. A full copy of the Bally's Tournament Rules are posted in the Poker Room and available upon request.

Bally's reserves the right to change, alter, or cancel any tournament, structure and/or payout schedule at any time and at their sole discretion, with or without advanced notice. Bally's is not responsible for typographical errors.
