## Milestone Satellite Rules and Guidelines

This Milestone Satellites (the "Tournaments") are Single Day No Limit Hold'em events.

The Tournament Prize will be one (1) direct entry seat into the specific event the satellite is being played for, or the cash equivalent. The total number of available Tournament Prizes will be based on the total number of Entry Fees received. See structure sheets for additional information.

A Player who accumulates the required number of chips tournament chips ("The Milestone") or more will have the option to instantly be awarded one (1) direct entry seat or continue to play the event. Upon verification from the Tournament Supervisor that the player has achieved the Milestone, the player may cease play, the total of his/her chips will be removed from play and he/she will be awarded a direct entry seat into the event, or the player may continue to play until the conclusion of the tournament and elect to be awarded a direct entry seat or the cash equivalent.

Milestone chip amounts:

Kick Off Satellite: 55,000

Main Event Satellite: 80,000

The Tournament will conclude when the number of players remaining is equal to 20% of the total entries (1 in 5) for the Kick Off and Main Event satellites, less the number of players who have previously won the prize by reaching the Milestone and taking a seat. Any prize pool residual funds, less than a full cash prize, will be paid to the last player eliminated prior to the conclusion of the Tournament.

While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the Dealer or Tournament Supervisor when they have reached the required number of tournament chips.

A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, a player's chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than the Milestone.

A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a Tournament Prize. Players may request that a Tournament Supervisor count their stack at any time between hands.

A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is

not in breach of the rules.

To facilitate the smooth operation of the tournament, all tournament chips must remain in full stacks of twenty (20) chips when available.

Any form of collusion, including the removal of tournament chips from the table, may result in a penalty up to and including disqualification without refund.

Tournament Prizes are non-transferrable.

All levels play 20 minutes per level, with a 10-minute break after level 6 except for the TURBO satellite, where levels will be 10 minutes with no break. Registration and re-entries will be available until the start of level 7.

Tables will be played 9 handed, excepte for Big O which will be played 8 handed.

These Tournament terms and conditions are meant to be read and followed in conjunction with Bally's Poker Room Tournament Rules which are available upon request.

Bally's reserves the right to change, alter, or cancel any tournament, structure and/or payout schedule at any time and at their sole discretion, with or without advanced notice. Bally's is not responsible for typographical errors.
