Only Players "In The Money" can Earn Points

Players **cannot make a deal for points**. In the Event of a player induced Chop, all players will receive the amount of points the next place out would have received. In the event of a forced ICM Chop, points will be distributed by place by player chip count.

Tiebreaker will be **Total Money Won** from all numbered events.

The **Top 10 Point earners (1st ~ 10th)** will win **High Roller Seats**.

1st Place Points

**\$10K CASH + \$2,500
CPC High Roller Seat**

The \$2,500 High Roller seat is non transferable & no cash option. The seat must be played or forfeited by the winner.

Additional Rules & Guidelines

Players must have a valid ID (21+) and Bally's Players Card to play in any event.

\$80 Double Stack Turbo will run everyday that a 10AM or 11AM CPC event does not take place.

\$80 Double Stack Turbo is not eligible for CPC Points.

Multi-day event tournament registration opens two (2) hours prior to the start of the event.

All other event registration will open one (1) hour prior to event start.

Late entries and reentries will be dealt in immediately (do not have to wait for the blinds) and will receive a full starting stack. Reentries will be assigned seat a based on random draw or to balance tables at TD's discretion.

All CPC events will be played nine (9) handed with the following exceptions:

Big O Hi-Lo (8 Handed) Event #18

6-Max Freeze Out Deep Stack (6 Handed) Event #15

High Roller (8 Handed)

All CPC events except Big O and PLO events will be "Big Blind Ante". The Big Blind will post the entire Ante amount. The Ante is posted prior to the Big Blind.

For multi-day events, there will be a seat redraw when 27 players remain and when 9 players remain.

Certificates for seats in future events are non-transferable.

Players are allowed to play multiple flights in multi day events, however no player can have more then one (1) entry into an event at one time (No best stack forward).

All "Freeze Out" events are limited to one (1) entry per player. All other events are unlimited re-entry.

On Multi Day events, play will stop on the money bubble. The tournament will move into "Hand for Hand" play. The tournament clock will be stopped during this time and two minutes removed from the tournament clock per hand. In the event of losing two (2) or more players at the same time from separate tables, the cash prize will be evenly split among players that busted out. (Losing players from the same table will go by chip stack).

Each numbered tournament event (24 in total) cash winners will earn points for the series. The point structure is based on the prize pool for each event. The ten (10) highest point earners at the end of the series will receive automatic entries into the \$2,500 High Roller event (no cash option). 1st in points will receive \$10,000 in cash in addition to a High Roller Seat.

Management reserves the right to revise, suspend or cancel events at its sole discretion, without prior notice or liability.

In the event that a tournament (with the exception of the High Roller) runs until the poker room closes for any reason, a standard ICM chop will be made between the remaining players and points awarded according to chip stack size. **Players are prohibited from making a deal for points.** The High Roller event may run a 2nd day if the event does not conclude on Tuesday, Septmeber 27th (see High Roller structure sheet for details).

Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).

Tournament Director decisions are final and without recourse.

In the event that the poker room is forced to shut down prior to the conclusion of all numbered events, the \$10K Points Race Prize and High Roller seats will not be awarded.

Prize pool guarantees will be void in the event of severe weather or unexpected shut down for any reason.

Bally's Poker Room observes all TDA Rules except in instances that conflict with Colorado Gaming Law.

Additional Rules & Information

Mystery Bounty

\$400 Entry (\$230 Prize Pool + \$100 Bounty + \$70 Administration Fee) includes all staffing fees and rake.

In the event that multiple players eliminate another player with the same winning hand, all players with a tournament chip count equal to or greater than the eliminated player prior to the start of the hand will equally split the corresponding bounty prize.

Each player who advances to Day 2 will be designated a "Mystery Bounty".

All Mystery Bounty prizes will be displayed in the tournament area prior to the beginning of tournament restart on Day 2.

Mystery Bounty prize amounts can not be altered.

Mystery Bounty prizes may range in value from \$400 to \$10,000.

Mystery Bounty prizes will be redeemed at the designated redemption area anytime during play on September 11, 2022, up until one (1) hour after the tournament has concluded.

Any Mystery Bounty prizes that are not redeemed within the allotted timeframe will be drawn by the tournament staff and held on account at the Bally's Black Hawk Cage for 30 days. In the event of multiple unredeemed prizes, prizes will be drawn in alphabetical order by last name.

Day 1 will play until 11% (rounded down) of the field remains. At the beginning of Day 2, the tournament clock will resume at the earliest finishing time at which play ended in any of the previous starting flights.

Additional Rules & Information

Tag Team Event

Teams consist of two (2) individual players and must remain consistent throughout the tournament. No player may change teammates or switch teams at any point.

Once registration is completed, each team member will receive a wristband of one of two colors. Wristbands must be worn at all times throughout the tournament.

For levels 1-8, Team members will play as individuals on separate tables with separate chip stacks.

At the start of level 9, Teams will combine their stack into one and will switch off active play at each level. The inactive player during that level must leave the tournament area.

The "One player per hand" rule will be strictly enforced.

If a teammate busts out of the tournament while registration is open, they may re-enter the tournament for \$200, but are not forced to re-enter if their teammate is still in the tournament. In the event that a teammate chooses not to re-enter, the remaining teammate will continue to play their chip stack as an individual until stacks are combined, at which point each team member will switch out active play and proceed as normal.
