Additional Rules & Guidelines

Players must have a valid ID (21+) and Bally's Players Card to play in any event.

Multi-day event tournament registration opens two (2) hours prior to the start of the event.

All other event registration will open one (1) hour prior to event start, except Heads Up Showdown.

Heads Up Showdown registration begins on August 17, 2023 at 10:00AM.

Late entries and reentries will be dealt in immediately (do not have to wait for the blinds) and will receive a full starting stack. Reentries will be assigned a seat based on random draw or to balance tables at TD's discretion.

All CPC events will be played nine (9) handed with the following exceptions:

Heads Up Showdown (2 Handed)

Big O (8 Handed)

6-Max (6 Handed)

High Roller (8 Handed)

All CPC events except Heads Up Showdown, Big O, PLO and Turbo events will be "Big Blind Ante". The Big Blind will post the entire Ante amount. The Ante is posted prior to the Big Blind.

For multi-day events, there will be a seat redraw when 27 players remain and when 9 players remain.

Certificates for seats in future events are non-transferable.

Players are allowed to play multiple flights in multi day events, however no player can have more than one (1) entry into an event at one time (No best stack forward).

All "Freeze Out" events are limited to one (1) entry per player. The Heads Up Showdown will have a maximum of 64 entries. All other events are unlimited re-entry.

For the Kick Off event, play will stop on the money bubble. The tournament will move into "Hand for Hand" play. The tournament clock will not be stopped during this time. In the event of losing two (2) or more players, both or all players will be eliminated from the tournament with no payout. Table re-draw at 27 and 9 players remaining.

For the Main Event, play will stop on the money bubble. The tournament will move into "Hand for Hand" play. The tournament clock will not be stopped during this time. In the event of losing two (2) or more players at the same time from separate tables, the cash prize will be evenly split among players that busted out. Losing players from the same table will go by chip stack. Table re-draw at 27 and 9 players remaining.

Each numbered tournament event cash winner will earn points for the series. The point structure is based on the number of entries for each event. The ten (10) highest point earners at the end of the series will receive automatic entries into the \$2,500 High Roller event. 1st in points will receive \$10,000 in cash in addition to a High Roller Seat.

Management reserves the right to revise, suspend or cancel events at its sole discretion, without prior notice or liability. In the event that a tournament runs until the poker room closes for any reason, a standard ICM chop will be made between the remaining players and points awarded according to chip stack size. Players are prohibited from making a deal for points.

Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).

Tournament Director decisions are final and without recourse.

In the event that the poker room is forced to shut down prior to the conclusion of all numbered events, the \$10K Points Race Prize and High Roller seats will not be awarded.

Prize pool guarantees will be void in the event of severe weather or unexpected shut down for any reason.

Bally's Poker Room observes all TDA Rules except in instances that conflict with Colorado Gaming Law.

* Multi-day events get 2X points.

* Turbos get 1/2 points.

* Each Tag Team team member will earn 1/2 points based on the number of entries for the event.

Points will be awarded based on the numbers of entries for the event except as noted above.

Only players "in the money" will earn points.

Players are not permitted to make a deal for points. In the event of a voluntary, player induced chop, all players left will receive the points that the next place out would have received. In the event of a forced ICM chop, points will be distributed by place by player chip count.

If there is tie in overall points, the tiebreaker will be determined by total money won from all numbered events.

The \$2,500 High Roller Seats are non-transferable and there is no cash option. The seats must be played by the winner or forfeited.

Additional Rules & Guidelines

Tag Team Event

Teams consist of two (2) individual players and must remain consistent throughout the tournament. No player may change teammates or switch teams at any point.

Once registration is completed, each team member will receive a wristband of one of two colors. Wristbands must be worn at all times throughout the tournament.

For levels 1-8, Team members will play as individuals on separate tables with separate chip stacks.

At the start of level 9, Teams will combine their stack into one and will switch off active play at each level. The inactive player during that level must leave the tournament area.

Once players are "in the money", each team will receive a "HELP" card. Each team may elect to use the HELP card only once. Once a team member elects to use the HELP card, they will need to step away from the table to discuss with their teammate. At no time will both team members be at the table at the same time. The player who is actively playing will make the ultimate decision on how to act on the hand when they return to the table.

If a teammate busts out of the tournament while registration is open, they may re-enter the tournament for \$200, but are not forced to re-enter if their teammate is still in the tournament. In the event that a teammate chooses not to re-enter, the remaining teammate will continue to play their chip stack as an individual until stacks are combined, at which point each team member will switch out active play and proceed as normal.

Each Team Member will earn 1/2 of the CPC Points based on the number of entries for the event.
