Additional Rules & Guidelines

Players must have a valid ID (21+) and Bally's Players Card to play in any event.

Multi-day event tournament registration opens two (2) hours prior to the start of the event.

All other event registration will open one (1) hour prior to event start.

Late entries and reentries will be dealt in immediately (do not have to wait for the blinds) and will receive a full starting stack. Reentries will be assigned a seat a based on random draw or to balance tables at TD's discretion.

All CPC events will be played nine (9) handed with the following exceptions:

- **Big O (8 Handed)**
- **6-Max (6 Handed)**
- **8-Max (8 Handed)**
- **Triple Draw (6 Handed)**
- **High Roller (8 Handed)**

All CPC events except Big O, PLO, Triple Draw and Turbo events will be "Big Blind Ante". The Big Blind will post the entire Ante amount. The Big Blind is posted prior to the Ante.

For multi-day events, there will be a seat redraw when 27 players remain and when 9 players remain.
Certificates for seats in future events are non-transferable.

"Freeze Out" events are limited to 1 entry per player. "Two Bullet Tuesday" is limited to 2 entries per palyer.

For the Kick Off and Main Event, play will stop on the money bubble. The tournament will move into "Hand for Hand" play. The tournament clock will not be stopped during this time until 3 minutes has elapsed for each hand. In the event of losing two (2) or more players, both or all players will be eliminated from the tournament with no payout. Table re-draw at 27 and 9 players remaining.

Each numbered tournament event cash winner will earn points for the series. The point structure is based on the number of entries for each event. The ten (10) highest point earners at the end of the series will receive automatic entries into the $2,500 High Roller event. 1st in points will receive $5,000 in cash in addition to a High Roller Seat. The $400 Kick Off and $1,200 Main Event will have $1,500 withheld from the prize pool for the series awards.

All 10 winners of the $2,500 High Roller event seats will have their chips put into play AT THE START OF THE HIGH ROLLER EVENT.

In the event that a tournament runs until the poker room closes for any reason, a standard ICM chop will be made between the remaining players and points awarded according to chip stack size.

Players are prohibited from making a deal for points. Any discussion heard by the poker room staff about making a deal for points will prohibit a voluntary chop and the tournament will be played out until it's natural conclusion unless the poker room closes, in which case a standard ICM chop will take place and points awarded according to chip stack size.

Players must be clearly identifiable at all times. Tournament staff may request a player to remove any material (sunglasses, hood, or other facial cover) which inhibits their continuous identification or is a distraction to the other participants. Players are not allowed to wear sunglasses and a face cover at the same time.

Management reserves the right to revise, suspend or cancel events at its sole discretion, without prior notice or liability.

Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Persuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of $5,000 or more (net of buy-in amount).

Tournament Director decisions are final and without recourse.

In the event that the poker room is forced to shut down prior to the conclusion of all numbered events, the $5K Points Race Prize and High Roller seats will not be awarded.

Prize pool guarantees will be void in the event of severe weather or unexpected shut down for any reason.

Bally's reserves the right to change, alter, or cancel any tournament, structure and/or payout schedule at any time and at their sole discretion, with or without advanced notice. Bally's is not responsible for typographical errors.

Bally's Poker Room observes all TDA Rules except in instances that conflict with Colorado Gaming Law.

Milestone Satellite Rules and Guidelines

This Milestone Satellites (the "Tournaments") are Single Day No Limit Hold'em events.

The Tournament Prize will be the cash equivalent of one entry into the specific event the satellite is being played for. The total number of available Tournament Prizes will be based on the total number of Entry Fees received. See structure sheets for additional information.

A Player who accumulates the required number of tournament chips ("The Milestone") or more will have the option to instantly be awarded the cash equivalent for one entry into the event. Upon verification from the Tournament Supervisor that the player has achieved the Milestone, the player may cease play, the total of his/her chips will be removed from play and he/she will be awarded the cash equivelent for one entry into the event .

Milestone chip amounts:

Kick Off Satellite: 55,000
Main Event Satellite: 80,000
High Roller Satellite: 150,000

The Tournament will conclude when the number of players remaining is equal to 20% of the total entries (1 in 5) for the Kick Off and Main Event satellites and 10% of the total entries (1 in 10) for the High Roller satellites, less the number of players who have previously won the prize by reaching the Milestone. Any prize pool residual funds, less than a full cash prize, will be paid to the last player eliminated prior to the conclusion of the Tournament.

While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the Dealer or Tournament Supervisor when they have reached the required number of tournament chips.

A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, a player's chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than the Milestone.

A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a prize. Players may request that a Tournament Supervisor count their stack at any time between hands.

A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.

To facilitate the smooth operation of the tournament, all tournament chips must remain in full stacks of twenty (20) chips when available.

Any form of collusion, including the removal of tournament chips from the table, may result in a penalty up to and including disqualification without refund.

Tournament Prizes are non-transferrable.

All levels play 20 minutes per level, with a 10-minute break after level 6 except for the TURBO satellite, where levels will be 10 minutes with no break. Registration and re-entries will be available until the start of level 7.

Tables will be played 9 handed.

These Tournament terms and conditions are meant to be read and followed in conjunction with Bally's Poker Room Tournament Rules which are available upon request.

The top 45 players who accumulate the most combined points for all four (4) CPC events in 2026 will be entered into the $25,000 Freeroll on Sunday, December 6, 2026. All Freeroll players will have their chips in play at the start of the tournament. No re-entry permitted in the Freeroll.

Additional Rules & Guidelines

Tag Team Event

Teams consist of two (2) individual players and must remain consistent throughout the tournament. No player my change teammates or switch teams at any point.

Once registration is completed, each team member will receive a wristband of one of two colors. Wristbands must be worn at all times throughout the tournament.

For levels 1-8, Team members will play as individuals on separate tables with separate chip stacks.

At the start of level 9, Teams will combine their stack into one and will switch off active play at each level. The inactive player during that level must leave the tournament area.

Once players are "in the money", each team will receive a "HELP" card. Each team may elect to use the HELP card only once. Once a team member elects to use the HELP card, they will need to step away from the table to discuss with their teammate. At no time will both team members be at the table at the same time. The player who is actively playing will make the ultimate decision on how to act on the hand when they return to the table.

If a teammate busts out of the tournament while registration is open, they may re-enter the tournament for $200, but are not forced to re-enter if their teammate is still in the tournament. In the event that a teammate chooses not to re-enter, the remaining teammate will continue to play their chip stack as an individual until stacks are combined, at which point each team member will switch out active play and proceed as normal.

Each Team Member will earn 1/2 of the CPC Points based on the number of entries for the event.
