Bally's Temporary Casino

Bally's temporary casino will be located at the Medinah Temple in River North.

By retrofitting an existing building, the Medinah Temple, we are able to expedite generating tax revenue to the City while the larger destination entertainment resort is being built. The temporary casino will include both gaming as well as food and beverage options.

Who is CCBC?

The Chicago Community Builders Collective (CCBC) is a nine-firm joint venture partnership comprised of minority and women-owned businesses as the majority partner. CCBC is serving as construction manager at-Risk (CM at-Risk) for the project.
